

Katie's Hope Cancer Foundation  
my Husband and I would really like to thank  
the Foundation very very much for the Help  
that they gave us. my husband has  
mesothelioma cancer since 2006 and we both  
had to quit our Jobs because of it. and we  
have pracially lived in Cleveland since 06 and  
we live 3 1/2 hrs away and since 06 we have  
really been struggling with all of the finance's.  
then Katie's Hope Foundation found out about us  
and they came to our aid so we are really grateful  
for them. they are angels.

Thank's again Katie's Hope Fou.
